

The Waynesburg Republican.

ARRIVALS AND DEPARTURES OF THE MAIL TO AND FROM WAYNESBURG: From Waynesburg to Washington, arrival, Wednesday, 7 1/2 p. m. departure, Wednesday, 8 a. m. (via Jolietville).

NEW ADVERTISEMENTS.—The attention of our readers is specially directed to the following advertisements, which appear for the first time in our paper to-day.

We seek announced that a Rev. Wm. F. Claughton, of the Methodist Episcopal Church, South, will preach at the Court House in this place on Sunday, Feb. 2, 1868, at 2 o'clock.

REAL COMFORT.—In keeping the feet warm, it only can be done by getting a pair of the fur overshoes at Shirk & Sutton's. Just new and selling at cost, among their clothing-out sales.

PAINTS painted and green coffees, at 25, 25, 25 and 35c per lb., at N. H. McClelland's.

WAGES UP.—Those persons who design taking the benefit of the Bankrupt Act passed last March, must file their applications with J. B. Donley, at Waynesburg. Register for this District, before the 2nd of March, proximo, or be compelled to pay fifty per cent. of their indebtedness, as that provision in the law is made to take effect on that day.

THE SEED OF FLOWERS.—Burtley has given the title to the living breath of fragrant blossoms, and this floral seed is a quintessence of olfactory luxuries—exists in its full perfection, in Phobos's "Night-Blooming Cereus."

GENEALOGY and Young Hymn Tunes, best quality, at N. H. McClelland's.

FOR BOOKS or Shirts, good and cheap at fast, call at Shirk & Sutton's.

A GREENE COUNTY CHALLENGE.—The Fan West?—We see by a Denver city paper that Mr. Hyde M. Hook is a former citizen of Waynesburg, and that he is now in the honorable position of Mayor in Cheyenne City, Colorado.

THE WASHINGTON PA. REPORTER is to have a book-binder in connection with their establishment and the paper will be printed in an enlarged quarto form. We are glad to see the announcement.

"My days my working northward years, fly rapid as the wildest spheres." Yes, and you'd better hurry up and secure a bargain in Dry Goods, Clothing, Trimmings, or something of the kind, at Frank, McGurgan's, before he sells out.

The Small-pox is not in Cameron as reported last week, but in a family two miles from that place.

LEVI GARRETT'S Best Suits, retail or at Pittsburg prices, at N. H. McClelland's.

The place to buy as low as you want and get good goods is at Shirk & Sutton's, closing out sale. See Advertisement.

Down along the dead men, are, at this moment, thousands who might have been alive and well had they used that great life preserver, Parkeston Bitters. Let the living lay it to heart that they are the best known remedy for all dyspeptic complaints, stomach derangements, and general debility. As a delicious cordial, combined with great tonic virtues, their equal cannot be found.

DELICATE FEMALES, Clergymen, Merchants, Lawyers and persons of sedentary habits—particularly those who are weak and suffer with mental depression, are greatly benefited by these Bitters.

MAGNOLIA WATER.—A delightful toilet article—superior to Cologne and at half the price.

HEARTS are not trumps in the great game of life. Frank McGurgan's Notions and Trimmings, Clothing, Hats, Caps, etc., are chiefest among those who admire the beautiful.

The way to avoid many of the thousand ills the human family is heir to, is to drop into M. C. & H. Bell's, Sayer's Corner, and get your self a pair of their nice, cheap and durable water-proof Boots or Shoes, and keep your feet dry this sloppy weather. If you think you can't afford a new pair, get a pair of gams and put over the old ones.

RENTS.—Consequent upon the most approach of April 1, "moving day" in three parts, the subject of rents is beginning to excite attention. So far as we are informed, every house, store-room, every thing to let has already been taken up, and at an increase rather than deduction from old rates. There is a demand that cannot be supplied as yet in Waynesburg, for business rooms and dwelling houses. We hear of active preparations making for building next summer and the new planing mill will greatly facilitate the work. It may cost considerable to erect houses just now, but one thing we are certain, that when up they will bring from ten to fifteen per cent. for the capital invested, and are investments if not profitable and capital does not take hold of the work we should like to see some enterprising foreigner step in and pocket the cash. There are no less than half a dozen tumble-down rat harbors, (we ought to petition the legislature to have them abated) on Main St., occupying the best sites in our town, which no one but their owners would regret to see in sales.

BALTIMORE OYSTERS, by the can, and Martin's crackers all kinds at N. H. McClelland's.

SHOOTING AFFAIR.—On the 15th inst., in Lakeland, a man by the name of Alfred Goley, became intoxicated and unruly, was forced out of the saloon of John Mansway. He immediately assaulted the house with stones, bottles, etc. A warrant was issued for his arrest, but the constable to whom it was given, was not sufficiently taken (H. 7) and went home and to bed. Goley, still at large and unattended, continued his assault with increasing vigor until some one came out of the saloon and fired at him twice. It is believed that Goley, but one of them struck a young man named W. S. Johnson, who, with two or three others, were standing on the steps of the United States Hotel, adjoining the saloon. Drs. Ewing and Walker were called and discovered that the ball had entered the right side of the right breast, and passed under the arched, being lodged in the shoulder blade. The physicians think the wound not at all dangerous. Johnson is a young man and operator of the Atlantic and Pacific Telegraph Company. After the shooting, Burgess Lewis was sent for, and arrested Goley, and fined him five dollars for being the cause of all this trouble. No other arrests have been made.

FRAN WHITE CARBON OR, sixty cents per gallon, at McClelland's.

NEW LIBRARY ESTABLISHED.—Great liberality on the part of the publishers—\$100,000 to be awarded to the subscribers. Novel plan to insure a large circulation. We have been favored with advance sheets of a new monthly magazine, issued on an entirely new plan by Messrs. Evans & Co., publishers. From our knowledge of the parties engaged in this enterprise, we feel justified in asserting that the undertaking will be a success, and in all respects satisfactory to the public. In addition to the attractions of a fresh and interesting monthly, containing articles from the best authors in this country and Europe as the titles indicate, the publishers draw upon the wide world for topics of interest, and offer inducements (which were needed) a "silver-plate" system of an entirely original character, in which all their patrons will participate. This department is under the personal supervision and exclusive control of Mr. George G. Evans, long and favorably known as gentleman of experience, capability, enterprise and ability. We commend to all a personal of the "prospects" which the distinctive features of the enterprise are fully set forth, feeling satisfied that the result will be an immense circulation of their new monthly. "The World at Home." Full particulars are sent free. All Chestnut Street, Philadelphia, Pa.—Philadelphia News Times.

New Lectures and Havana Street Changes at N. H. McClelland's.

EDUCATIONAL.—Mr. Editor—Agreeable to the pre-arrangement of the C. S. Superintendent, the teachers of Gilmore & Wayne School district, met in Institute at Chen's Schoolhouse on Saturday January 17th. Notwithstanding the unfavorable condition of the roads and weather, the attendance on the part of teachers was very respectable. We were highly gratified to see many of the citizens and some of the Directors present to all in the noble cause giving positive proof that they are interested in the welfare of their children and the cause of Common Schools. On motion Mr. James Cole and Brown Street for were elected President and Secretary of the meeting. A committee was appointed to arrange a programme of exercises, consisting of Messrs. Frestland, Headley and Kendall. Improvement on our present mode of teaching, being one of the objects in view in holding institutes, it was adopted as the topic for discussion. Each member presented his or her method, taking up the various branches of School Study by way of illustration. The meeting was both pleasant and instructive. Views were freely exchanged and suggestions offered, the Superintendent being ever ready with his wise counsels to guard against the numerous errors incident to the teachers office. The closing exercise was the discussion of Queries in which all joined with a hearty good will. Feeling adjourned at 4 1/2 p. m. all present meeting that it was good to be there, and that in attending institutes there is great reward.

If you want a good customer suit, cheaper than ever, call at Shirk & Sutton's. New styles just laid in last week, and selling among our closing-out sales at cost.

TEMPERANCE MEETING.—At the annual meeting of the Waynesburg Temperance Society, held in the Baptist Church on the evening of the 14th inst. the following officers were elected for the year 1868:

CHANGE OF NAMES.—The post office at Ft. Martin, Monongalia Co. W. Va., has been changed to Roseada, Greene County, Pa. Cooktown Fayette Co. Pa., has been changed to Fayette City.

PAPER MILL.—The Washington Reporter says: A paper mill is about to be established at Canonsburg, and we understand the site has already been selected below the town, between the Pittsburg pike and the creek. We have only heard as yet of two of the parties connected with it—John Ralston and John May, Esq. We wish them abundant success, and believe there is not in the county a better locality for manufacturing than the above vicinity—as to coal, water facilities, &c. The water factory at this place has proved a success beyond the expectations of the most sanguine. It is running to its utmost capacity, day and night, and is unable to supply the increasing demand for their goods. Dr. J. W. Alexander was admitted as partner in this mill on the first of January.

CHICAGO MARKET. CHICAGO, January 18, 1868. Hogs—Dressed quiet, closing at \$7 1/2 per lb. (including 20c for shipping loss, and 25c for good to extra choice hams.)

STANTON. Johnson's Organ Blowings—Their Merry Notes Turned to Wailing—The Grand National Agreement—The Grand National Convention—He Did Not Notify the President—J. D. Johnston's Remarkable History—And Thus the Matter Stands.

WASHINGTON, January 15, 1868. The interest and excitement over the reinstatement of Secretary Stanton in the War Department, and the course of the President and General Grant, have not abated to-day. The Intelligence came out this morning in a double headed editorial appealing to the people to save the country from what is believed to be threatened revolution. The Union also came out this evening with a call headed—"Appalling danger to the country; the people must meet and avert it." It also heads a call for the meeting of National Union Johnson camps. These announcements, together with the course of the majority in Congress in asking Secretary Stanton by a memorial not to resign, have caused the public feeling to run high. The Pres. claims that he asked General Grant if he would change his mind in reference to the course he would pursue if the Senate should refuse to make Stanton's suspension final, when the latter reiterated the promise,

previously made, that he would either hand in his resignation as Secretary of War, ad interim, early enough for the President to appoint his successor, or take any other action he might deem requisite, or allow a mandamus to be served upon him for the surrender of the office, adding a promise to the President that he should hear from him on the subject on Monday.

Gen. Grant on being shown the President's statement to-day, declares that at the interview on Saturday, he did say he had not changed his mind, and also gave the President distinctly to understand that in case he (Gen. Grant) received from the Senate an official notification that body did not concur in the reasons given by the President for Mr. Stanton's removal, he (Grant) would be bound under the tenure of office not to at once withdraw from the War Department and cease his duties as Secretary of War ad interim.

The President informs your correspondent that he did not understand such was his intention, he should have relieved Grant at once, and placed a man in the War Department who would not have given up to Stanton, and thus the matter stands. The President has issued no order yet prohibiting official intercourse with Secretary Stanton.

General Grant and Lieut. Gen. Sherman called on the President this evening and had a full and free conference. They both informed the President that they had advised Mr. Stanton to tender his resignation, but that the latter had given them no reply. They expressed themselves in favor of effecting an amicable settlement of the existing trouble, and did not doubt but that it would be arranged.

DARING ROBBERY. Two Hundred Thousand Dollars Stolen from Benninghoff, Oil Millmen, the Victim.

PIONEER, PA., January 16, 1868.—The house of John Benninghoff, on Benninghoff Hall, was entered about half-past seven o'clock this evening, by four men disguised by handkerchiefs over their faces, and robbed of over two hundred thousand dollars—forty thousand dollars in bonds, and the balance in currency. They presented revolvers at the heads of the inmates, when they proceeded to tie Mr. John Benninghoff, his wife and two sons, and also a hired man and girl. Taking the keys from Mr. Benninghoff, they entered the safe and extracted the above amount, after which they sat down, and waited half an hour for the return of Mr. Joseph Benninghoff, another son, who was absent, and who had in the house a patent burglar safe, containing a large amount. He did not return until they had left, taking with them three horses and a cutter.

HON. W. HAMILTON was elected United States Senator from Maryland, for six years, to succeed Reverdy Johnson. The vote on the last ballot stood: Hamilton, 59; Swann, 49; Merrick, 7; Pratt, 1. Reverdy Johnson received no votes. Mr. Hamilton was formerly a member of Congress from Maryland. Both are Democrats.

As the Republican National Convention will be held in May, it is probable the State Convention in Pennsylvania will be held as early as March.
